Come over to Browns Hotel and indulge yourself

Welcome to Browns Hotel, a lovingly-restored 17th century coaching inn set in the heart of the beautiful Dartmoor town of Tavistock.

Browns Hotel is a comfortable country retreat, which offers award-winning cuisine, an elegant, informal wine-bar and brassiere, relaxing lounge areas with log fires, and exceptional, individually-appointed rooms.

It combines old-style English charms (cosy open hearths, warm oak beams, exposed stonework and slate flags) with sensitive contemporary design. It's a chic, boutique blend of old and new.

Tavistock is a thriving town, busy with markets and small shops selling local produce, arts and crafts and curios, rich in history and heritage, and set against the wild backdrop of Dartmoor national park.

It sits within easy reach of Devon's two major cities, Plymouth and Exeter, and Cornwall's beautiful coast and countryside.

If you're seeking somewhere a little bit special to stay, in a very special part of the country, contact us and our helpful, friendly staff will be happy to assist.
